Letter of Reference

Amazon is guided by four principles: customer obsession rather than competitor focus, passion for invention, commitment to operational excellence, and long-term thinking. Customer reviews, 1-Click shopping, personalized recommendations, Prime, Fulfillment by Amazon, AWS, Kindle Direct Publishing, Kindle, Fire tablets, Fire TV, Amazon Echo, and Alexa are some of the products and services pioneered by Amazon.

Mr. Shubham Tiwari, born on 24 July 1999, joined our company on 22 September 2025 as a Business Intel Engineer. The main responsibilities of Mr. Tiwari included:

- Develop and maintain scalable and reliable data pipelines, analytics tools, and reporting solutions for the Amazon Freight Team
- Design and build robust data models and analytics solutions that ensure high performance and data accuracy
- Solve complex data and business problems using appropriate technologies, statistical methods, and best practices
- Apply a broad range of data architecture and analytics design approaches to meet evolving business needs
- Actively participate in code reviews, data design discussions, sprint planning, and operational reviews
- Contribute to hiring and onboarding of team members where needed
- Mentor and support the development of peers within the analytics and data engineering space

During his time in our company, Mr. Tiwari proved to be an extremely competent and versatile employee who, thanks to his excellent specialist knowledge, was able to work in a flexible manner at any time. In addition, he always demonstrated excellent work ethics, a great deal of enthusiasm even beyond the usual working hours and a pronounced professional commitment. He was a very fast learner, extremely flexible and very open-minded towards all new projects.

While completing his tasks, Mr. Tiwari demonstrated an extremely pronounced entrepreneurial way of thinking and acting, and a high degree of responsibility. He was an extremely reliable and conscientious employee who carried out his tasks in a very independent and careful manner. Mr. Tiwari always kept an overview, even in situations with a considerable workload, and fulfilled all his tasks in an excellent manner. His work results were always of a very high quality, even with changing requirements and in very difficult tasks.

In conclusion, Mr. Tiwari always carried out the complex tasks in his position to our complete satisfaction and met our requirements optimally in every respect. His behaviour towards superiors and colleagues was always excellent.

Mr. Tiwari left our company on 23 March 2026. We thank him for his work and wish him continued success and all the best in his personal life.

Munich, 23 March 2026
